Current News

The November Club meeting will be held at the flying field. The meeting will be at 11:00 am. If it is raining that day, the meeting will be held in Escalon at Mountain Mikes Pizza at 11:00 am. The date for the meeting is Saturday, November 12, 2016.

During the October club meeting, nominations were held for 2017 club officers. Nominations are as follows:

President	Dave Vickers
Vice President	Ben Lanford
Secretary	Steve Howie
Treasure.	Joel Merriam

Other nominations can be made and the final voting will be held at the November club meeting.

Pattern Fly scheduled for 10/22/16 and 10/23/16. Dick Belden will give us a report about how it went and how much monies, if any, was made.

The annual billing for the membership fees will be out about the first week of November. The due date will be December 31, 2016. Please ensure that all of the information on the invoice is correct. Also please note that the return address has changed. The new address is:

RCFU
PO Box 578837
Modesto CA 95357-8837

We also had a work day on October 15, 2016, prior to the club meeting. There were 9 members that showed up. It was very productive, weeding the perimeter of the runway and move some of the heavy benches around. Thanks to the members that participated. These are the type of members needed to help maintained the flying field. And thanks to all of the past members that participated with the field upgrades and maintenance. To enjoy our flying field, all members need to step up and help maintain the field, even if it is to pick up trash at the field after your flying session.

We will also have a club meeting/social on Saturday, December 10, 2016. It will be at a pizza parlor. At this time the spot or time was not firmed up yet.

2017 is the first of 4 years for loan payback to all participants that loaded the club monies to help fund the runway repair. The pay back will include the waving of the annual dues for that year.

A couple of ideas for next year were suggested during the October Club meeting. A different type of pylon race that features nitro warbirds was suggested for next year. Also a few club only events to help get more club members together was proposed. We will also be having our March swap meet, IMAC contest, Pattern contest, and float flying at the field during 2017.
