Current News

There will be no December Club. We will resume again in January 2018.

From now until January 28, 2018, the flying field will not open until 10:00 am daily. This is because of duck and goose season at the reservoir.

The nominations for the Club Officers have been voted for in the November meeting. The 2018 officers are:

President	Ben Lanford
Vice President	Gregg Bixel
Secretary	Steve Howie
Treasurer	Joel Bixel

Until further notice, turbine power models can be flown at the field. The restriction was lifted by CDF.

We are also scheduling two IMAC contests for 2018. One will be during May 5 & 6 and the second will be during August 4 & 5. There is a pylon race scheduled for September 29 & 30.

FAA will be again requiring model pilot registration starting early next year. Keep an eye on the AMA web site for confirmation of the registration date.

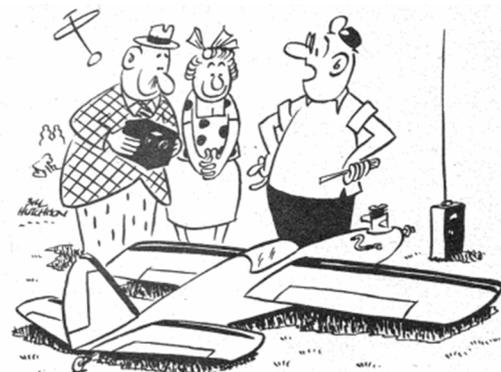

Treasurers Report - \$14,783.39 in the bank. Loan repayment checks to be mailed this month totaling \$5,625.00. Ben Lanford is going to check with the Park to find out the restriction for spraying herbicides at the field

and surrounding areas.

The annual billing for the membership fees have been sent out. The due date will be December 31, 2017. Please ensure that all of the information on the invoice is correct. Also please note that the return address is:

RCFU
PO Box 578837
Modesto CA 95357-8837

Also be aware that there may be a delay in getting your membership card since I will not be getting the membership form back directly. Because of that, it is imperative that you send back the information form along with the fees so that you will not have your membership card delayed or complete missed. At that point, proof will have to be made to show payment has been made in order to receive your membership card.

"It'll do loops, wingovers, slow rolls, Immelmans, lazy eights, spins and snap rolls . . . if and when I can get this engine started."
