### Current News

There will be an October Club meeting at the field. It will be on October 13th, Saturday at 10:00 am. We will be having nominations for Club Officers for 2019. The field is still closed for flying.

Because of the closed field, there haven't been any flying activities, news, projects, or events, therefore, I will have very little to put in the newsletter.

"Enough with all the strategic planning. Get out there and kill something."
