Current News

There will be an November Club meeting at the field. The meeting will be held on November 9, 2019 at 10:30 am.

Nominations for club officers for 2020 were held at the October Club meeting with elections to be held during the November Club meeting.

The current nominees are:

President	Shawn Lenci
V. President	Mike Storm
Secretary/Treasurer	Ronald Lenci

I will be sending out the loan payment installments for the members that loaned monies to the club for the runway repair in December. This is the last installment for these loans.

The annual billing for the membership fees have been sent out. The fees have been reset back to \$100. The due date will be December 31, 2020. Please ensure that all of the information on the invoice is correct. Also please note that the return address is:

RCFU
9712 Chaparral Ct
Stockton, CA 95209

Last couple of months, I have been having problems with the web site. I am working to resolve all of the problems and hopefully have all of the issues resolved shortly.

May 2, 3 2020 has been scheduled for the

IMAC aerobatic contest at the field..

The current finances are as follows:

Account balance for October: \$3,630.87

Expenditures :

Storage	\$226.00
Envelopes and Stamps	\$225.58
Service Fee	\$14.00

Deposits: \$50.00

Current balance: \$3,215.29

The storage site was closed down with all of the equipment removed and stored at members addresses. This will save the club \$226 per month.

Shawn Lenci is going to find out if Roy, the person that mowed and baled the area around the field, if he will continue to mow. He had some issues with dealing with the Parks people. Hopefully we can get it ironed out to Roy's benefit so he will continue to mow each year.

Tom's family receives the horrible news.
