Current News

There will be no December Club meeting. The next club meeting will be held in January 2020.

The club officers for 2020 are as follows:

| | |
|---------------------|--------------|
| President | Shawn Lenci |
| V. President | Mike Storm |
| Secretary/Treasurer | Ronald Lenci |

As you will notice, I will no longer be the club Secretary/Treasurer. I have been doing this job for 18 years and I am glad to see that Ronald wanted to take over. I remember when it took up to a week to write and send out the monthly newsletter. I would have to fold and staple 150 newsletters, print labels for each member, and mail them out. Now it just takes a few hours to publish and send out the newsletters, thanks to using email. There are still a few members with no email addresses, but with a laser printer, I can print the envelopes quickly.

Also, the membership cards were done by using business card sheets, printing them and separating each card and include a separate letter. Now it just takes a few hours to print and both the annual invoices and membership cards.

I will still be maintaining the web site including the club's email address.

I will be sending out the loan payment installments for the members that loaned monies to the club for the runway repair in

December. This is the last installment for these loans.

Even though, Ronald Lenci will be taking over with the duties of Secretary/Treasurer, you may still mail any outstanding dues to my address below and I will relay it to Ronald until he announces the new address he will be using.

I finally got the web site back up and working. If in the future you notice a problem with the web site, please let me now at showie8124@aol.com. Now that I am no longer an Officer in the club, I will try and spend more time with the web site.

The membership has motioned and voted to only allow smoking at the field to the inside of the smoker's vehicle while at the field. This will be put into the club's safety rules.
