Next Meeting-Saturday, June 13th -9 AM down at the water-Float Fly

President's Message-Shawn Lenci

Saturday, June 6, 2020

Finally we have the day in which everyone has been waiting to arrive. I received a message from the Woodward Reservoir park manager that Saturday June 6th is the day we can resume operations at our flying site. I know it has been a long two and half months but I appreciate everyone's patience during this field closure. As I said before a small group of members have been diligently working on the site to get it ready for the reopening. I want to thank the following individuals

Ron Lenci, Brad Clasen, Allen Cain, Greg Mariani, Mike Stewart, Mike Storm, Dan Peterson, Ed Seagraves

All these fine members have contributed their time to make the field look great so that when we get back out flying there this is no maintenance needed to resume flying. Also a big shout out to Kevin Kuppins and Alvin Faria of A & K Harvesting for getting the field mowed. Without those two gentlemen and of course Chuck Boday, we most likely would not be flying at all this year.

2020 Field Lease

On May 27th I received a draft for approval Stanislaus County Parks and Recreation for a 5 year renewal on our field lease. We lease approximately 61 acres and the rent for 2020/2021 will be \$896.38; this rate works out to about \$75/month. I have submitted back some minor verbiage corrections and according to Shannon Esenwein, Deputy Director of Parks and Rec, with our approval they will submit the lease to the Stan Co. Board of Supervisors meeting

on June 23rd. It looks like we will be in good shape for 5 more years. I hope we can all still fly model airplanes 5 years from now.

American flag to honor our clubs many veterans

When you get back to the field you will notice one great improvement. A big kudos to our VP Mike Storm for getting and new flag pole installed with a beautiful new American flag. Old Glory is now flying 21 feet in the air attached to the west canopy. The flying will be flying 24 hrs a day and will be lit at night Thank you Mike! See the photos below.

Keep Your Distance....

I am looking forward to seeing all of you at the field again soon. Let's be smart about being at the field and practice good social distancing habits.

Future Events

I believe at this time it is best that we cancel the planned BBQ in July. It is probably not the best time to be "social gathering". I did talk with Chuck at the county and he said we are good to go as far as float flying as far as he is concerned. Let's plan on having the planned June 13th float fly with the meeting occurring down at the water at the water. Please bring a chair. The next float fly will be Saturday June 27th.

Again, thank you all for your patience and let's get back to flying.

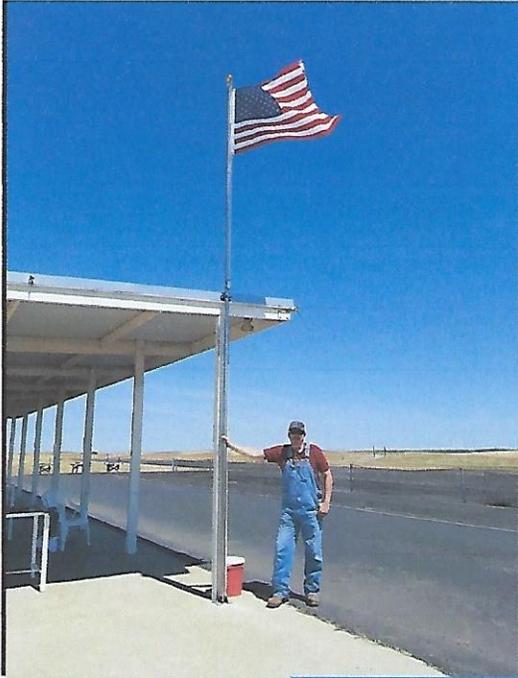

Shawn
